

Rollout of Online Application Service for Advance Release Permission for Hong Kong Manufactured Food Products Entering the Mainland Market

The Centre for Food Safety of the Food and Environmental Hygiene Department announced that with effect from 21 May 2024, traders can apply for Advance Release Permission for Hong Kong manufactured food products entering the Mainland Market through the Food Trader Portal (FTP).

The FTP provides various conveniences for the applicants, enabling them to submit applications anytime and anywhere, and to prepare applications with templates and past information, thereby saving time for data entry. During the application process, the applicant will receive timely updates on the status of the application and can check its progress anytime. Besides, e-payment service is also provided at the FTP for applicants to pay the application fees conveniently with credit card.

Please click “Useful Information” at www.ftp.cfs.gov.hk for more detailed information on the above new measures. For enquiries, please [contact us](#).
