

Rollout of Phase 2 of the Trade Single Window

The Government has launched Phase 2 of the Trade Single Window (TSW), which initially covers an additional 14 types of trade documents including those for food importation and exportation processed by the Centre for Food Safety of the Food and Environmental Hygiene Department, such as import licence and import permission, etc. Please visit the [TSW website](#) for the details.

Trader with registered accounts in both TSW and the Food Trader Portal (FTP) may link up the two accounts for easy handling of issues concerning the application for relevant trade documents. To effect the account linkage, trader has first to complete the authorisation procedures in “Trader Registration Maintenance” of the FTP account, and after obtaining the approval, subscribe to the Food and Environmental Hygiene Department in the TSW account. Trader may refer to the relevant [manual](#) to learn the details of the authorisation procedures.
